### **Staramba SE: Publication of the 2017 annual financial statements on 30 November 2018; review takes more time; sales forecast for 2017 adjusted to EUR 12 million.**

Berlin, 30 October 2018

Staramba SE, which is listed in the General Standard (XETRA: 99SC), will publish its annual financial statements for 2017 on 30 November 2018 instead of 31 October 2018 as previously planned. The review which has become necessary due to the refusal of the auditing firm needs more time to clarify final questions.

In the course of the review, individual contracts were revalued. In the course of the adjustments, a sales forecast adjustment has become necessary. Staramba SE's sales for the 2017 financial year amounts to approximately EUR 12 million, which represents a significant increase compared to 2016 (EUR 2.1 million).

The publication of a new date for the Annual General Meeting and the half-year report 2018 will take place as soon as the auditor has completed the review of the annual financial statements and management report 2017.

Staramba SE will publish the complete financial statements on 30 November, 2018 at <https://company.staramba.com/about/investors/publications>

#### **About Staramba SE**

The Staramba SE from Berlin (XETRA: 99SC) is a virtual reality (VR) pioneer with unique hardware and software expertise. The flagship project is the development of the world's first social VR network with lifelike avatars STARAMBA.spaces: a new virtual world in which fans can interact up close with international stars from sport, music and entertainment. Photorealistic avatars that do not exist in any other platform and the integration of social media channels make STARAMBA.spaces a unique VR experience. The VR pioneer has also built the world's most comprehensive database of photorealistic 3D models of top international stars, which are sold via its own online shop. These include footballers from top teams such as the DFB-Elf, FC Bayern Munich and Real Madrid or superstars of the NFL and WWE. Another business area is the 3D-INSTAGRAM® photogrammetry scanner developed by Staramba. This enables certified partners to scan consumers and generate photorealistic 3D avatars for a wide variety of applications. The use of such avatars will substantially change the economy in the future. Staramba has also announced its own cryptocurrency STARAMBA.Token, which has the potential to revolutionize the global licensing industry. In a first step STARAMBA.Token will be used within STARAMBA.spaces. Staramba SE is listed in the General Standard of the Frankfurt Stock Exchange.
